4100 Headset with To Go™ Plug

Model 4100AVT

THE SIGHTS & SOUNDS OF EDUCATION

The 4100AVT is designed for learning with mobile devices. Its unidirectional mic and noise-reducing around-ear earcups are ideal for high speed internet use for distance learning applications, tutorials, language learning and situations requiring isolated vocalized feedback. The 4100AVT is Windows and Mac compatible.

1. Recessed wiring resists prying fingers for school safety
2. Fully adjustable headstrap, earcups and headstrap made with rugged ABS plastic for added durability in high-use settings
3. Permanently attached 3' straight cord with reinforced connection resists accidental pull out for classroom safety
4. iOS & Android compatible plug works with smartphones & tablets
5. Unidirectional electret mic with flexible gooseneck and built-in wind screen reduces recording of unintended sounds
6. Noise-reducing earcup lowers ambient noise so volume does not need to be as high - recommended by the American Speech-Language-Hearing Association for hearing safety

- One year warranty for school use - unlike headsets purchased at consumer electronics stores whose warranties would be voided if used in schools

"Project Intercept"
